# KSC Vision

Between now and 2028, our vision is for all of us at King Street to be walking a pathway of discipleship development so that each one of us are purposefully using our spiritual gifts to live out God's unique call on our lives.

**Taking steps to be  
more like Jesus.**

**Saying "yes" in some very  
important areas of your life.**

“You Put Your  
**Whole Self In!**”

**Matthew 25:14-30**

## Matthew 25:14-30

Again, it will be like a man going on a journey, who called his servants and entrusted his wealth to them. To one he gave five bags of gold, to another two bags, and to another one bag, each according to his ability. Then he went on his journey. The man who had received five bags of gold went at once and put his money to work and gained five bags more. So also, the one with two bags of gold gained two more. But the man who had received one bag went off, dug a hole in the ground and hid his master's money.

## Matthew 25:14-30

After a long time the master of those servants returned and settled accounts with them. The man who had received five bags of gold brought the other five. "Master," he said, "you entrusted me with five bags of gold. See, I have gained five more."

His master replied, "Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!"

## Matthew 25:14-30

The man with two bags of gold also came. "Master," he said, "you entrusted me with two bags of gold; see, I have gained two more."

His master replied, "Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!"

## Matthew 25:14-30

Then the man who had received one bag of gold came. "Master," he said, "I knew that you are a hard man, harvesting where you have not sown and gathering where you have not scattered seed. So I was afraid and went out and hid your gold in the ground. See, here is what belongs to you."

His master replied, "You wicked, lazy servant! So you knew that I harvest where I have not sown and gather where I have not scattered seed?"

## Matthew 25:14-30

“Well then, you should have put my money on deposit with the bankers, so that when I returned I would have received it back with interest.

So take the bag of gold from him and give it to the one who has ten bags. For whoever has will be given more, and they will have an abundance. Whoever does not have, even what they have will be taken from them. And throw that worthless servant outside, into the darkness, where there will be weeping and gnashing of teeth.”

**This picture of the Kingdom  
of Heaven speaks to:**

- **Our actions today**
- **Our hope for the future**

**Walking the path  
of becoming a disciple  
that acknowledges God  
and His purpose for my life.**

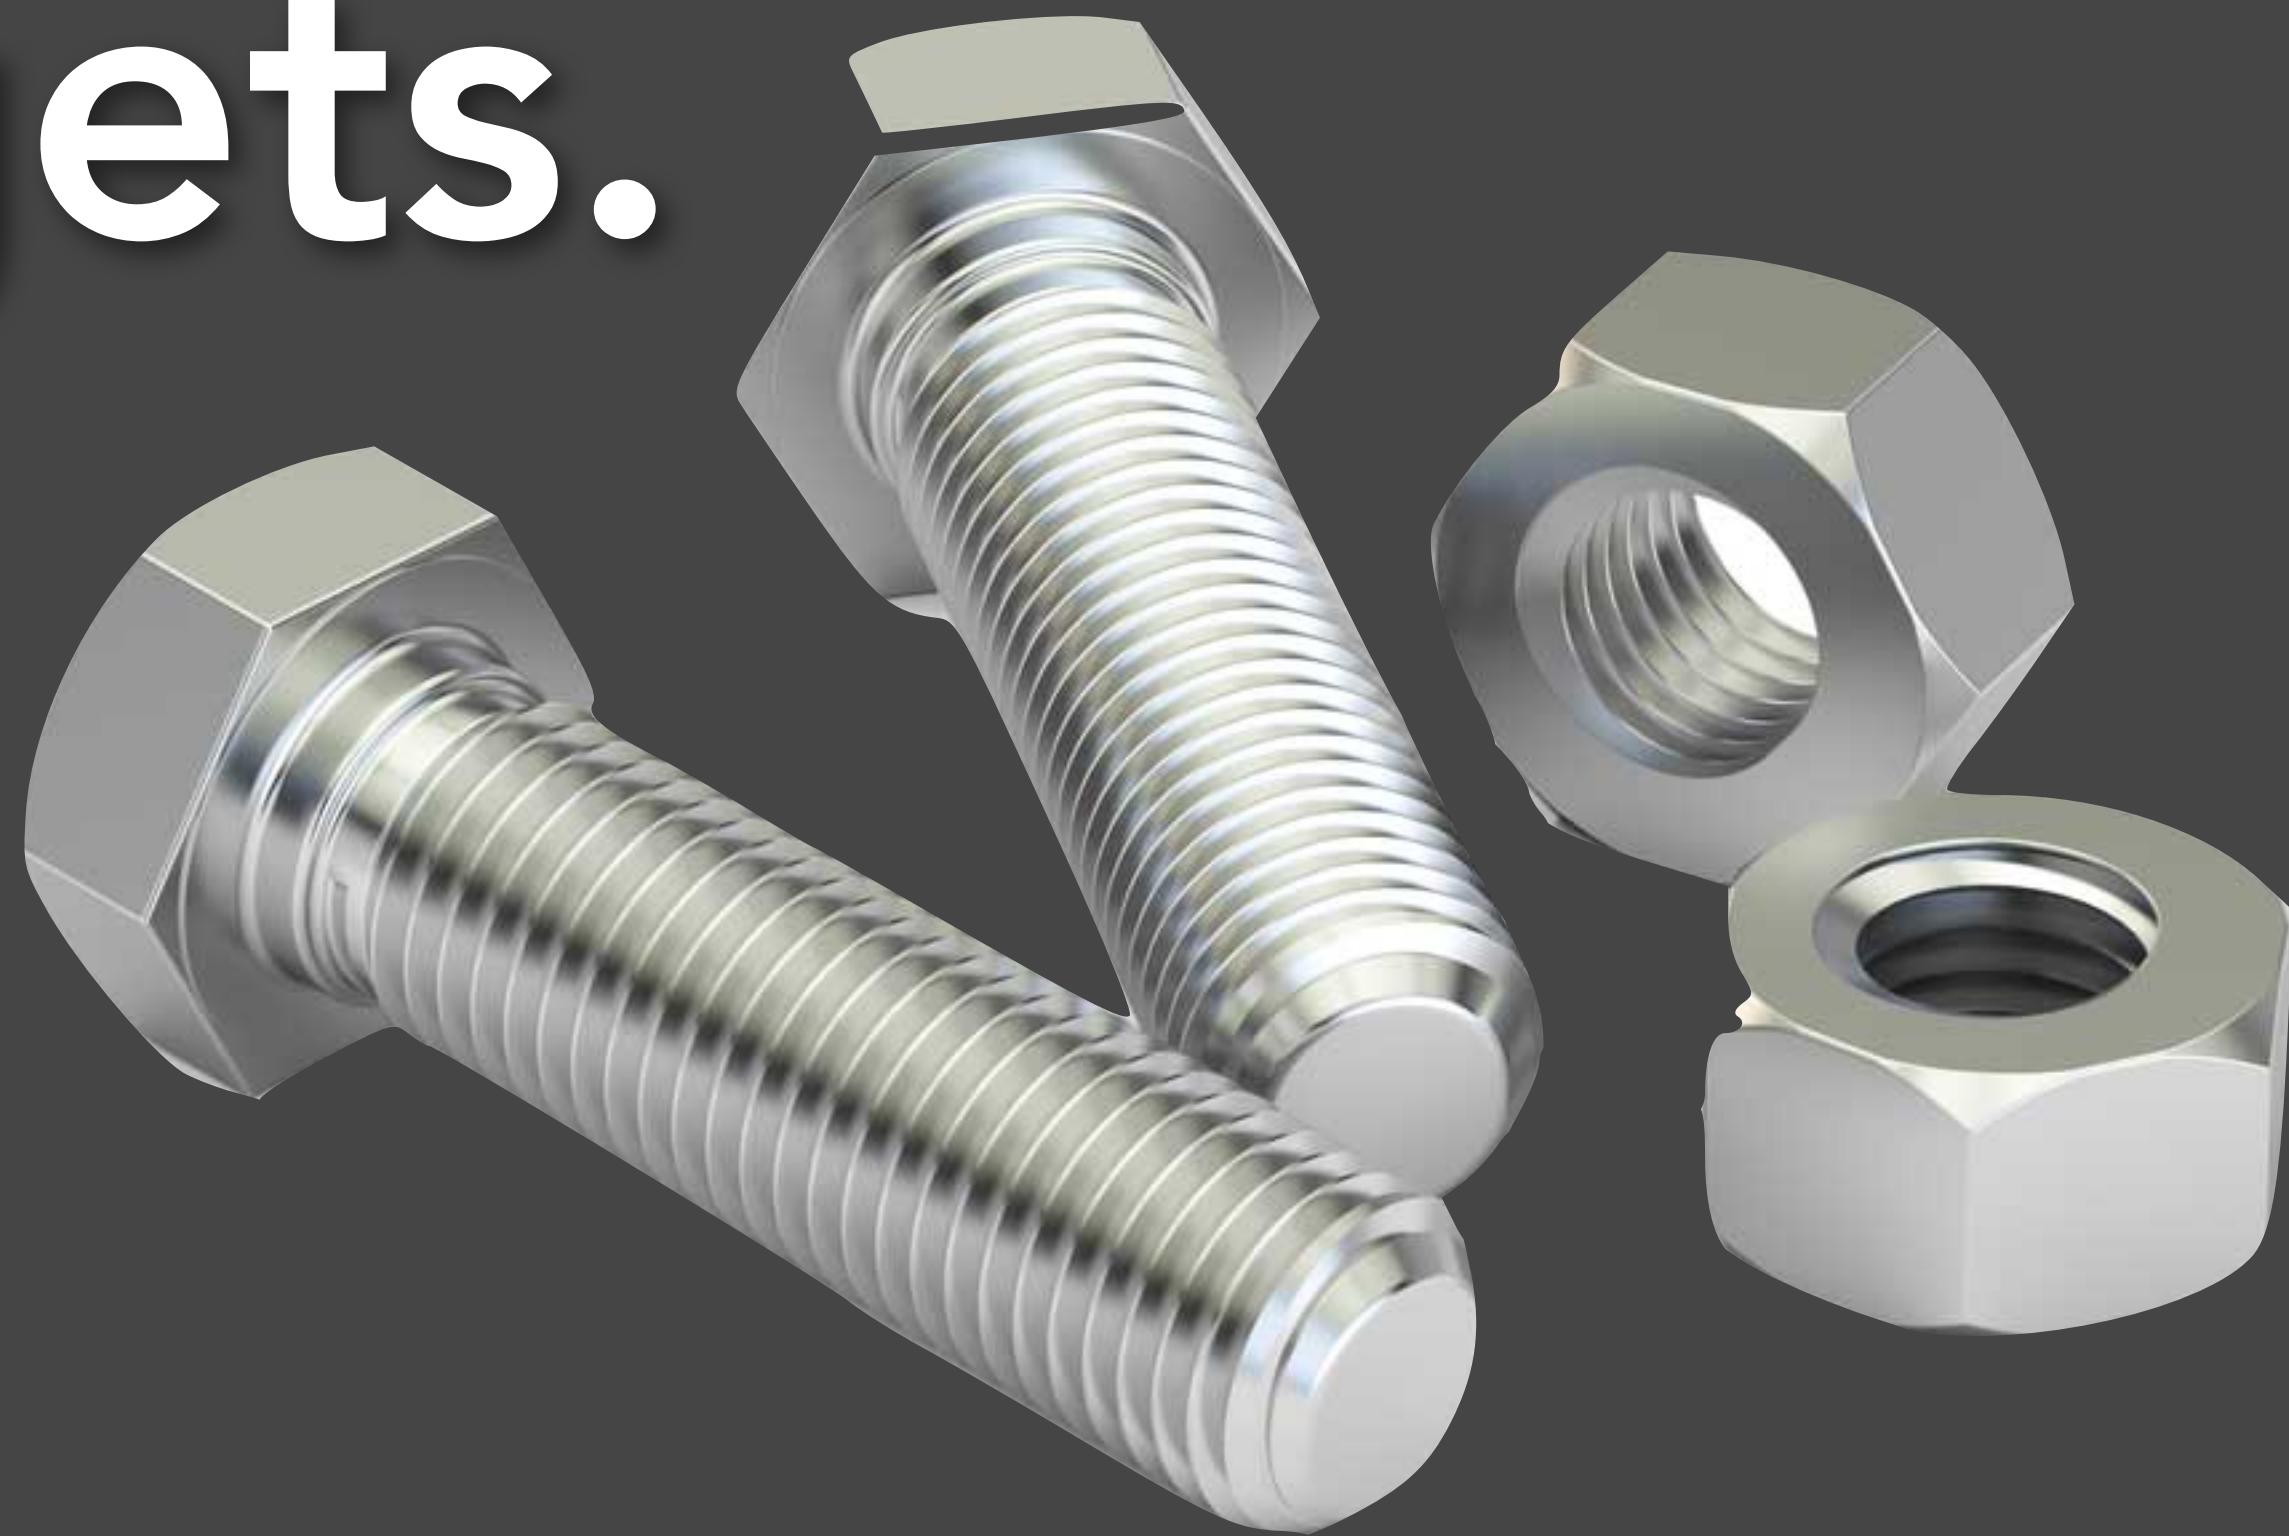

**Take the next step  
in three distinct areas...**

Becoming more  
**Spiritually Alive.**

Becoming more  
**Relationally Connected.**

Becoming more  
**Missionally Engaged.**

Today's message  
is about as practical  
as it gets.

Take a step.

## CHILDREN'S MINISTRIES

“We have four grown children and we remember what it was like to raise a young family. Church was our lifeline! We want to be that relief and help for young parents today. We pray that parents will be refreshed as they worship and their toddlers be well-cared-for as we love and care for them during that hour!”

“It's truly a blessing to provide support for others on their journey to experience the same loving, healing miracles Jesus has worked in my life.”

A man with short grey hair, wearing a blue button-down shirt, is smiling and looking to his right. He is holding a large white sign with both hands. The sign has the words "Come and See!" written on it in a bold, sans-serif font. "Come" and "and" are in dark blue, and "See!" is in a bright teal color. The background is a blurred outdoor setting with a brick building and green foliage.

### TECH MINISTRY

“I get to serve our worship team, congregation, and ultimately the Lord while doing something I love. If you have any kind of technical background, or just like to tinker with technology in your spare time, come and see what the tech ministry has to offer its volunteers.”

### STUDENT MINISTRIES

“Student Ministry has always been close to our hearts. With the impact from our youth leaders growing up, we now can be that ripple effect and love on these students in the same way. We know these teens need people to engage with them, be authentic, and to reflect Jesus onto them.”

## WELCOME MINISTRIES

“My favorite thing about serving as greeter is to welcome and say hello to folks who may not even be looking my way or say anything. But when they are spoken to, they return a greeting. I believe they feel like someone cares enough to speak and I feel rewarded. I feel led to serve because I felt like it was something I could offer and was gifted to do.”

A woman with short blonde hair, wearing glasses and a dark blue top, is smiling and holding a white sign. The sign has the text "Come and See!" written on it in blue and green. She is standing outdoors in front of green bushes and a white building. The sign is held in front of her, partially obscuring her torso. The background shows a well-maintained garden with various flowers, including purple and white ones.

### AGAPE ENGLISH MINISTRY

“After living in a country where I didn't speak the language, I felt more empathy toward people in the Chambersburg area who aren't fluent in English. This inspired me to serve at Agape English. Here, I have grown in my teaching skills, made a lot of friends, and I have a better appreciation for our diverse community.”

## STUDENT MINISTRIES

“We feel strongly about pouring into the lives of young people. We know first-hand what a blessing it is to have so many caring adults shepherding the children of King Street, from nursery all the way up to college age ministries.

This is our opportunity to give back and to bless other families as well. Our areas of serving have changed over the years just as the seasons of life change. We truly enjoy engaging with middle schoolers!”
