

## **Step Into The Story: From Despair to Hope**

Pastor Adam Keath • November 28, 2021

Are there any verses or parts of the message that stuck out to you tonight?

Can you agree that you are in need of healing? Why or why not? Is this hard for you?

Meet Jesus at the boat: How are you doing this?

Remember the pigs: What darkness is seeking your destruction? What does it look like for you?

See the man: In what ways has he or are you praying for God to restore your life?

Tell them what he has done for you: How do you believe God can use your story as it is today?

Can you share at least one personal takeaway from tonight's time together?
