By Susanna Allen, Communications Coordinator

On April 10, 2023, Pastor Jody Bowser submitted a letter of resignation to our Elders, Board of Administration, and to us, the people of King Street Church. In that letter he called his time here at King Street "an honor and a joy that goes beyond words."

He went on to say, "I love King Street Church. I love the people. I love the heart. I love the mission. I have loved standing in the pulpit nearly every Sunday these many years and opening the Word of God together (which has included more than a few maps!). To tell you that I'm leaving is deeply emotional, and bitter in many ways.

"The sweet is in seeing how the Lord is opening new doors of ministry in Greenville, South Carolina. It is no secret how much Caryn and I love being with our family. Summit Church in Greenville has called me to join their team as the campus pastor of their Cherrydale congregation. Three of my children attend this church—and my daughter-in-law is the worship leader. It is an opportunity that we simply can't pass up."

On November 1, 2015, Pastor Jody shared his first message here at King Street Church: "Matters of the Heart: Beginning with the End in Mind," from Acts 20:13-38. This passage focused on Paul's farewell speech to the elders in Ephesus. On that first Sunday Pastor Jody said, "As we move forward, I also want to begin with the end in mind." Pastor Jody had a vision for us to

# MERCY AND TRUTH

be a church that focused on mercy and truth. He said we would demonstrate love for the lost, hurting and wounded; and proclaim the Gospel of Christ.

2016 began with an ambitious year-long series that did just that, The Gospel from Genesis to Revelation, and our first all-church Bible Reading Plan. That Easter, he preached the Rescued series, and we shared video testimonies of lives that were transformed by the love of Christ. On Easter weekend we passed out stones of remembrance stamped with a Rescued logo that many members of the pottery ministry made by hand. In May, Pastor Jody initiated the creation of a new church directory.

In January of 2017 he began the Transformation series. In February, we hosted our very first Night to Shine. That Easter we also held our first Maundy Thursday service. This was definitely a year of firsts, because in June we held our first Bless Week and Bless Fest. It was the first time our senior pastor allowed himself to be repeatedly dunked, and definitely the first time he put on a chicken suit and did the limbo!

The next few years were filled with more memorable events and moments for our church... the Transformation Art Exhibit, Samaritan's Auction, Forgotten God church-wide Sunday school class, the Compassion Experience, trips to Haiti and Russia, many student trips and events, and for our children, both Ties and Tiaras and the Mother Son Roundup. When the parking lots were limited by the Courthouse construction, we handed out donuts in the parking lots to inspire people to park further away. Some of the standout sermon series include "Life in His Name," "The Believer's Guide to the Galaxy," and "Bet the Farm on Discipleship." We launched Celebrate Recovery (now called RESET), a

new website, Table Talk, and L3 Groups. Each activity, each class, and each event came with the goal of demonstrating love for the lost, hurting and wounded, and proclaiming the Gospel of Christ. Each was for the sake of mercy and truth.

Then COVID. On March 12 we sent out a Weekend Preview email that assured the church that despite the coronavirus, everything was fine and we would be having services as usual on Sunday. One week later, with strict mandates in place, we had to send an entirely different message. We assured our family that "we are the church" wherever we are, but that we'd made that heartbreaking decision to close. We met online for 15 weeks and regathered in a triumphant outdoor celebration on July 5.

There were a lot of moments in 2020 that were hard. Talk about firsts... we were navigating a world of church that was never meant to be. But it was also a season where we banded together in worshiping and serving in a whole new way. By God's grace, we are blessed to be a church congregation that survived COVID.

The ministry of KSC continued... with the 24 hour prayer vigil, RLAM Conference, the "Jesus is Greater" series, our annual outdoor worship services, church picnics, Generosity Project, the Night of Worship during IceFest, exponential growth with the Agape English ministry, True Girl Conference, and many, many other moments of God at work. During Pastor Jody's tenure 19 of our current staff members were hired.

This chronicle is not just about listing a history or detailing accomplishments. It's not only about Pastor Jody, who we are honoring. It's about telling our story, as a church. We are a team. One body, as Corinthians says. This is how God made us. He designed us as a family. Pastor Jody has led us, and it's been together that we have forged forward in mercy and in truth.

Pastor Jody and his physical family are moving on now, but he leaves behind a legacy of leading us to demonstrate love for the lost, hurting, and

wounded, and proclaiming the Gospel of Christ. He leaves behind a legacy of mercy and truth.

Our pastor has been one with an infectious enthusiasm, a genuine love for people, and a passion to preach the Word of God.

Pastor Jody challenged us every week to "go live the call" and regularly reminded us to look to Jesus in the midst of our struggles. His frequent references to the Upper Story built a culture of looking beyond our temporary circumstances to see God's eternal work in our lives. We will not soon forget his love of maps, or his favorite prayer from 2 Chronicles 20:12, "Lord, we do not know what to do, but our eyes are upon you."

Pastor Jody closed his resignation letter with these words: "I love you, and will miss you. We've journeyed together through unprecedented times these past few years. And through it all—we've continued to live the call. And even when we don't know what to do, we keep our eyes fixed on Jesus."

We thank you, Pastor Jody, for all you have given and invested here. We thank you for 7 1/2 years of your life and ministry. We thank you for your prayers, counseling, coaching, and encouraging words. We thank

# MERCY AND TRUTH

you for bringing God's message to us faithfully, week after week.

In his last message on Sunday, April 30, Pastor Jody challenged us, not unlike many times before, "There is work to be done at KSC— keep your eyes on Jesus!" Then he prayed:

"God I thank you for this family of mine right here at King Street. Thank you for what you're doing here.
Lord Jesus, you already have it in your mind and in your heart who's going to continue to lead King Street into even brighter days.
Thank you, Jesus.
This isn't about us; it's about You. We are Your bride, Your church, and we rest in You.
We trust You."

We will continue to pray God's blessing upon Pastor Jody and Caryn in the days and weeks ahead, knowing that the thread of serving Jesus keeps us connected. They are embarking on a new adventure with Jesus, and so are we.

Just as Pastor Jody is following God's new calling to South Carolina, so we remain ready to follow God's plan for King Street Church.

It is with a firm belief in God's sovereign vision for His people that we anticipate the mighty ways He will work in our church family in the months and years to come, writing a continuing story of mercy and truth that will exceed our expectations.

As Ephesians 3:20 says, "Now all glory to God, who is able, through his mighty power at work within us, to accomplish infinitely more than we might ask or think."

(Right, on April 30, Nathan Hann, Pastor of Contemporary Worship, prays over Pastor Jody and Caryn. After the service our church family said goodbye.)

# The Next Step at King Street Church

KSC is led by a Board of Administration, Co-Missions, and Elders. They, along with our pastors, are meeting to plan next steps regarding the leadership of our congregation. We are blessed with a strong team of pastors and they will share the responsibility of preaching in the weeks ahead. Our denomination bishop Todd Fetters is also coming to speak. Please join us in prayer for all those involved in making decisions for our church family and for the pastors as they assume more responsibility in this interim period. We appreciate your partnership and support during this critical time in the life of our church.

# God-at-Work through the After School Program

By Jeanie Helman, Children's Ministry Outreach Coordinator

By the time you read this report our After School Program will have ended for this school year. We recently hosted a banquet for our families and honored four graduating students (5th graders going on to 6th grade). It was a privilege to speak a blessing over each student and give them a Bible. On Monday, April 24th we hosted a carnival in the gym for the students and had a bounce house and other games for them to play.

This year has been a true blessing. Honestly, I cannot remember a better group of children to

work with. They came excited, eager to learn (most of the time) and cooperated in the activities we had planned. They were respectful of each other and the leaders (most of the time) and helped each other. Our expectations are RCK (respect, cooperation and kindness). We don't always see it play out as it did this year. This was a true blessing from God.

So, what were some of the things we did?

- We had weekly Bible lessons
- We tutored (did homework, read and played educational games)
- We shared dinner together
- We played in the gym and had a snack together

We also had many life lessons...here are just some of the things that the kids experienced:

- "The Art of Story Telling" class
- Made thank you gifts for their parents (photo and trivet)
- Workshops on how to manage big feelings

# GOD AT WORK THROUGH KIDS MINISTRY

- Made string eggs
- Cooking class
- Sewing classes
- Gardening class
- Crafts

# THEN WE HAD A BIG GOD MOMENT!

Around Easter I was preparing for a Monday Bible class, and couldn't find the lesson I had planned on doing. When it was not to be found, I began looking for another. I settled on an Easter lesson that used an experiment as an attention-getter. Little did I know what God had planned. The experiment called for a peeled hard boiled egg, an old time glass milk jar and fire. As the children watched, we talked about how the egg was too big to go into the milk jar. We were going to use science to do what seemed impossible. I lit the paper and tried to get it in the milk jug. I couldn't get it in because it was burning my hand. The paper was thrown on the

table and it was quite the attention getter. We were glad we didn't set the fire alarm off and tried again.

This time it was successful and the egg was sucked into the jar. We learned that by using science we were able to do the impossible and likened it to how Jesus did the impossible by dying on the cross for our sins and coming back alive on Easter. That was the introduction to the lesson we never got to. The children started asking questions after question. Finally one little girl asked the question every Bible teacher longs for..."How do you become a Christian?" After addressing that question, nine children prayed to receive Christ. It was amazing!!!

God was up to something for sure... the Holy Spirit took over that lesson and brought nine little ones to God. What a privilege it was to witness and be a part of the process. God is good!

We end this program year with hearts full of gratitude and thanksgiving that we get to be a part of what God is doing in this world. We are always looking for people who enjoy working with kids; and would like to help them to be successful in school and in life, by knowing Jesus. Let me know if you are someone who would like to help or learn more about helping (<a href="mailto:jhelman@kchurch.org">jhelman@kchurch.org</a>).

# APPRECIATING RON COOK

# Appreciating Ron Cook: Pastor on the Move!

By Sharon Bowers, Chair of Local Outreach Co-Mission

The King Street Board recently recognized Pastor Ron Cook with a custom cycling jersey and gift certificate to his favorite bike shop. Pastor Ron definitely lives the call. He has been such a blessing to our church family. The word that comes to mind is "stamina;" he shares God's love with a driving passion.

Every week he can be found in the hospitals visiting the sick, providing communion to shutins, comforting families after the loss of a loved one, conducting funeral services, and participating in Sunday morning worship services. On Monday nights, Pastor Ron often stops into RESET so that he can sit down and visit with the community there (and maybe enjoy a cookie!) Even when encouraged to enjoy a more relaxed schedule, our Minister of Pastoral Care refuses to slow down.

Pastor Ron is tech-savvy and personally installed many Roku devices in the homes of shut-ins so

that they can watch services remotely. He is always willing to go the extra mile to help a member of our church family. His coworkers greatly admire him. Pastor Ron is an amazing individual and an inspiration to us all!

The Board wanted to show their appreciation to Pastor Ron for his above-and-beyond dedication. It is well-known that Ron is usually up well before sunrise so that he can begin his day with prayer and a bike ride, so a gift was chosen that supports his hobby of cycling. Keep on the look-out for Pastor Ron on his bicycle in his new jersey. Maybe sometime we could ride along with him but honestly I'm not sure we could keep up! Thank you Pastor Ron. You are loved and appreciated by your King Street Church family! (A huge shout out to Tyler Roberts for his support in designing and ordering the shirt!)

# STAFF ANNOUNCEMENTS

# **Welcome Dylan Chenaille**

By Susanna Allen, Communications Coordinator

We are excited to announce that **Dylan Chenaille** has been hired as Creative Arts Associate.

The mission of this role is: to harness the power of telling the story, particularly via video, of what

God is doing in and through the people of King Street Church in our mission of engaging and blessing our community with the Gospel.

We have been seeking to fill this position for over a year, so we are so glad to have found such a qualified applicant in Dylan.

Dylan is the son of Bill and Carolyn Chenaille, very active members of our church family. Bill serves on Sunday mornings with our Media Team as a video switcher. Carolyn has served in Worship Arts for many years, and chairs the Worship Arts Co-Mission. Dylan's sister Kat plays keys on the worship team and his brother Jonathan played bass before joining the Air Force.

Bill is co-owner of the Academy for Media Production, so Dylan grew up around the skills, but it wasn't until he graduated from the Photo and Video program in February that his interest for media production deepened. "One day we were shooting a music video," Dylan says, "and just being able to hold the camera in my hand and shoot the footage was very, very fun."

Dylan has been attending KSC since he was 2 years old. With the Creative Arts position, he saw an opportunity to combine the skills of recording video with serving the church.

"I love coming to church," he explains. "I have really loved listening to Pastor Jody."

Dylan has already been volunteering in Media & Production for several years at King Street. He serves on the production team for Student Ministries and has been working with camera and as a switcher on Sunday mornings for at least two years.

This helped Tyler Roberts, Director of Media & Production, to feel confident that Dylan was a great choice for the job.

Tyler says, "It is exciting to see a committed volunteer move to using their skills to serve and tell the stories of what God is doing at King Street."

# **Summer Internships**

We expect to hear testimonies of faith and see more than a dozen young people baptized. We have five food trucks coming for the meal afterwards; it's going to be a beautiful time of extended worship, thanking God for His goodness, spending quality time together, and looking forward to the future. This special service will take place in the Baker Center parking lot (bring a chair!) and will replace our normal Sunday schedule. We hope you'll stay for lunch and connect with others. If you wish, bring your own picnic lunch in a cooler! Invite friends or family who might appreciate a "non-church" setting. These photos are from last year.

# VACATION BIBLE SCHOOL

# VBS is Sun-Wed, June 25-28.

Every day, kids are bombarded with lies about who they are, who God is, and where their salvation comes from. Thankfully, God has given his children armor to wear in this battle between truth and lies, light and darkness, good and evil. This VBS will be a

Standing Strong in Today's Battle for Truth

place where kids will learn how they can be part of God's kingdom through salvation in his Son and will be equipped with the armor of God to become Keepers of the Kingdom and stand strong in today's battle for truth.

Registration for volunteers is now open and registration for children will open later in May.

### **HELP US PREPARE FOR VBS:**

- Paint & Create Day: Monday, May 8 from 9 am—3 pm in the Children's Ministry Center (CMC.) Lunch will be provided; come and go as you are able.
- Paint & Create Night: Wednesday, May 10 from 6:30—8:30 pm in the CMC.
- Decoration Week: Wednesday and Thursday, June 21 and 22 from 9 am to 4 pm. We will be decorating the classrooms, hallways, and the Sanctuary. Come however long you might be able to help. Lunch will be provided.

**JOIN THE TEAM:** It takes a huge team to bring VBS to life! We especially need Crew Leaders who are willing to journey through VBS with groups of 3-5 children. You would complete crafts, play games, eat snacks, and listen to stories with your group, and help them to have a good time. Crew leaders directly impact how many children we can invite. See the forms in the lobbies or visit Service Central (<a href="serve-kingstreetchurch.com">serve-kingstreetchurch.com</a>) to see all the roles we need to fill.

# UPDATE ON THE 30 HOUR FAMINE

# Filled Up by a Famine

By Susanna Allen, Communications Coordinator

The 30-Hour Famine was held on Friday and Saturday, April 21 and 22, and 20 middle school students participated. Rob Gunkelman, Pastor of Middle School Student Ministries, felt that the challenging nature of the famine had the potential to develop spiritual maturity.

Lauren Dukehart, Student Ministries Admin Assistant, says, "We were hoping the students would see outside of themselves and learn not take what they have for granted."

Students were encouraged to share a link for World Vision for child sponsorships. Over \$2,500 was raised, far exceeding expectations.

On Friday night the group watched videos that followed the life of a young girl in Niger. Students were able to see how various aspects of her life—like her shelter, food, and access to water—compared to their own.

Later Rob led in a time of confession, prayer, study on what the Bible has to say about fasting, and 10 minutes of silence so the students could hear from the Lord. Lauren notes that the students really loved that part.

On Saturday the group went to Rhodes Grove Camp where they cleaned up brush/trees, tidied the fire pit area, and loaded wood. Then they mulched at two CROSS homes. While waiting on rain to clear, the team played games and made crafts with the residents.

Later they rested around a campfire at Cowan's Gap, where they shared how they were impacted by the experience. Many students said they would do it again.

Annette Smith, a parent helper, shared, "I was so impressed with the kids participation in this event. They were interested in learning and 'all in' on the activities. Rob did a great job explaining fasting and it's importance...as well as relating it to understanding those that live in hunger. Even as an adult, I learned through the activities, journaling, and the 'listening prayer.' I'm so thankful that we are a church that teaches these exercises and precepts to our kids."

Finally it was time to break the fast with a pizza party! They ordered from three local shops; you will have to ask a Middle School student about the famine in order to find out which is the best pizza in Chambersburg.

# SURVEY REPORT

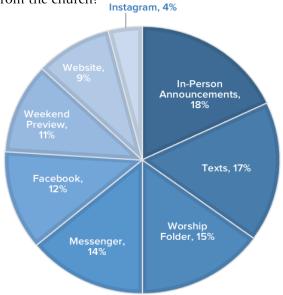

# An Update on the Survey

By Susanna Allen, Communications Coordinator

In February we invited our church family to fill out a Communications Survey so that we might improve the ways that we share information.

We were pleased that 140 people filled out the survey. This was an excellent sampling of our congregation. An impressive 83% of those indicated that they attend worship services in-person almost every Sunday, and 81% said they have been part of KSC for more than 5 years. In fact, 38% had been invested for more than 20 years! This let us know that the answers provided were from a committed group of people.

Here are the results from just one question: how do you prefer to receive information from the church?

The comments section was especially helpful; a few of those comments include:

- It would helpful if there was a church family calendar that listed the seven days of the week with the church events.
- We need to hear more about missions and other initiatives our church is undertaking locally and around the world.
- I didn't know there was a Weekend Preview email!
- It would be nice to know what adult Sunday school classes are available, where they're located in the church and what they're studying.
- I really appreciate the Messenger; it helps to stay connected with all areas of the church while providing information regarding missions and events.

We are already responding to this feedback. We have contacted our website provider regarding updates, including a revised 7-day calendar. We plan to use texting as a more intentional way to let people know about events and ministries (interesting fact: the greatest response to the survey was through a link that we texted; the second greatest response was through the Weekend Preview email). There is a listing of current adult Sunday School classes on page 30, and on our website under the "Connect" tab. See the blue box on page 9 to sign up for the Weekend Preview email or text list. This is just the beginning of the ways we will seek to do better in sharing information with you.

Please don't be shy about giving feedback about this area or any other. You can always email me at <a href="mailto:sallen@kschurch.org">sallen@kschurch.org</a>.

"...one day in February (2021) when I was nine, my life changed forever. My twin brother, Garrett, woke up not feeling well and I had to go to school without him that day. I didn't know that that morning was the last time I would see him conscious and awake. He went to the hospital and the doctors couldn't make him better. When my parents told me he was going to go be with Jesus, I felt like I was going to die. I didn't understand why God didn't make him better. It was the worst thing that ever happened to me in mv life. Mv mom and dad and I were all really sad and it was a confusing time. Something that was really comforting. though, was the way a lot of people showed care and kindness to our family. It made me

feel God's love for us and makes me want to show that love to other people who are hurting. After losing Garrett, my family and I also started to read a lot about Heaven and what it will be like. It made me feel better to know that Garrett is safe and happy there. It's still really hard not to have him here these last two years. I miss him a lot, but I know because I trust in Jesus that I will see him again in Heaven."

# Engaging & Blessing OUR COMMUNITY WITH THE GOSPEL

# **Once More Ministries Update**

OMM's first distribution of 2023 was on **Saturday, March 11**. It was a cold day, but our hearts were warmed by the smiles on our friends' faces and their words of kindness and thankfulness!

Our distributions are meant to run from 9–12 on the second Saturday of March, June, September, and December; but we often run out of supplies early. In March we increased our inventory. Even so, this distribution was

like no other in terms of volume! To provide context, here is how we queue vehicles before we open.

Vehicles wait in a line in the main KSC parking lot. Once we open, we move the line from the KSC lot over to the Ministry Center (MC) parking lot across the street. Then two lanes of traffic travel through the distribution lines. Once the volume reduces, vehicles are able to drive directly into the MC lot, without a waiting line.

That's the normal process. This time, well before 8 am, many more vehicles than usual lined up in the KSC parking lot in anticipation of our 9 am opening. As the opening approached, the line continued to grow so quickly, that the line of waiting cars even extended into King Street. We had to bring more cars into the MC parking lot so that there weren't any traffic hazards!

As we opened and the lines started moving, the busyness continued with no break until around 10:45, forcing us to continue to use the KSC parking lot as a queue for a large portion of the distribution. People came as quickly as we were moving them through!

Friends, that's never happened before! We've never seen so many people that early, nor have we filled our MC parking lot with vehicles waiting while simultaneously having KSC parking lot full. This time, even with 25 additional boxes, we still ran out of toiletries and food by 11:15 am!

This may seem like a lot of detail that could have just been summarized by, "We saw an unprecedented increase in traffic!" But we wanted to paint a picture for you. Those lines were filled with people. They weren't just vehicles. They were people with needs, people who have experienced trials...people...families! They're also our friends and they are the purpose for what we do!

**Our Volunteers & Partners:** We absolutely have the best volunteers and partners we could ask for! We could do none of this without your unselfish dedication to share the love of Christ with our

neighbors! This is why we do what we do! Thank you for all you do for our community and, most importantly, for being the hands and feet of Christ!

- 12 OMM volunteers with 4 trucks met to pick up and unload the supplies
- 19 OMM packers prepared 275 toiletry boxes/bags, and 6 volunteers from The Porch loaded them into the truck in preparation for Saturday's distribution

- Maranatha Ministries: 300 bags of tuna, beans, green beans, soup, and 2 bottles of flavored water; 300 bags of applesauce, fruit cups, Fruit Roll-Ups, Sweet 'N Low, and gummy snacks; and 50 boxes of produce

- Ruthie Ludwig and Dollar Tree: 50 reusable grocery bags

# Missionally Engaged AROUND THE WORLD

# HB

April 2023, teaching English overseas in ■.

# It Only Takes 5 Seconds

This month, I'd like to share with you a few different instances in which I've seen the Father working through different relationships and events in ■ since I've been back for the new school year.

My teammate Alyssa and I have been frequenting a small, family-owned, bubble tea shop for the past year. Last school year the owners and their family generally kept to themselves, but this past month their children have really been warming up to us! We'll play with whatever Alyssa and I can find in our backpacks, color or paint our nails. It's been so sweet to see this relationship grow after very little interactions or interest during my first year in ■.

One afternoon at school one of my 6th graders unexpectedly came up to me during class and said, "Share the [good news]." It was a very random and unprompted comment, but I was happy to take this opportunity the Father had provided to talk about the Good News. We were then able to have a short conversation about where he'd heard this from and about his cousin who is half-likeminded (I'm not sure what he meant by this, but will definitely follow up in the

future) and he confidently told me that it only takes 5 seconds to share the Good News.

Later that same day, a student in my other class showed me a toy he built into the shape of a cross. We talked briefly about what the cross represents before starting class.

Even though the New Year isn't officially until April 14th, students have already begun celebrating this past week. Their favorite way to celebrate is with baby powder fights in the hallways of the school! Nothing directly related to the Father came out of these powder fights, but it was a welcome opportunity to connect with the students as people and truly enjoy them outside of the formal classroom setting.

The Father is moving in ■! None of these interactions were incredibly long or explicitly sharing the Good News, but to me these moments show that there is growth happening in ■. That growth could happen through the growing of a relationship, of curiosity, or of trust between my teammates and the people around us. Reflecting on all of these interactions, my mind goes back to my student saying, "It only takes 5 seconds to share the [Good News]." Although it may take a little more than 5 seconds (at least for me) to share the Good News, it can take less than 5 seconds for the power of Father to make an impact in the lives of His beloved people! How amazing

that we serve a Father who doesn't need us to complete His work, but chooses to invite us to take part in it! I'm so grateful to be able to take part in these moments of growth, whether I see the impact for 5 seconds or for a lifetime!

### **Praises:**

- Praise for all the ways the Father is working in the hearts & minds of people!
- We have two weeks off of school coming up in April. I'm grateful for the break and the opportunity to rest for a little while.

### Lifts:

- That the Father would continue to work in

   and that my teammates and I would have open eyes to see and seize the opportunities
   He provides to be a light for Him.
- For the hearts of the students and families here in the province that they would be softened and open to hearing and accepting the Good News.

# B&S P

# **Mourning and Rejoicing**

- We sat in a funeral of yet another teenager who gave up hope, leaving behind brokenhearted friends, family, teachers and coaches.
- Earthquakes in Turkey and Syria caused eyes to watch and pray, waiting for God to send hope and help, begging God to allow them to find all those still alive under the rubble. It was amazing to watch for days and cheer as babies and adults alike were pulled from the rubble.
- Brokenness and addictions were confessed, wondering how long it will take for God to restore what sin has damaged.
- We were temporarily cut off from the dear ones we tried to help and love on for so long.

### **But God...**

Our Valentines outreach dinner brought three ladies from our English class to an Arabic church service, so now all five of the most faithful students this year have attended the church for at least one outreach party. They are hearing His Word! Children from M and Y families who attend the Kids Bible Club are now coming to Arabic church/Awana and memorizing God's Word. A teen in the youth group recently expressed that she wants to pursue being a Christian. The soil is tough, but God is tougher!

The mom who cut us off softened, and she is communicating more. We missed a call from her last week after we sent a "feeler" text; we called back and left a message. God is still at work.

Our son, T, made his faith in Jesus public by getting baptized this week. What a joy!

# Please pray:

- That God would work in our hearts as He
  has placed us in others' lives to walk
  through dark places with them, for
  freedom from addictions, for healing and
  restoration
- For understanding for the children learning Scripture for the first time
- Open hearts for those who continue to hear the Gospel and Bible stories
- God's supplication of needs and financial support
- Wisdom as parents and that God would continue to draw J and T even closer to Himself
- God's working of peace in the families at Arabic church.

We would not want to be here with out prayer warriors like yourselves. Thank you for partnering with us!

# **Malawi Updates**

King Street Church sent \$10,000 to our Malawi ministry partners, Rays of Hope and Namikango Mission, following the devastating cyclone that impacted the country twice in 5 weeks.

# **Cyclone Freddy**

Cyclone Freddy has now been classified as the longest-lived tropical cyclone ever recorded. As well, it set a new record as the most energetic storm to date. After initially impacting the nations of Mozambique, Madagascar and Malawi, Freddy re-organized and then wrapped around and hit those areas for a second time. According to Wikipedia, "Hardest-hit was Malawi where incessant rains caused catastrophic flash floods, with Blantyre suffering the brunt of it. The nation's power grid was crippled, with its hydroelectric dam rendered inoperable. Food security was of particular concern, with millions...left at risk. The storm struck during a widespread cholera outbreak in Mozambique and Malawi as well; severe flooding worsened the epidemic."

# **Our Ministry Partners**

Two of our ministry partners in Malawi — Rays of Hope and Namikango Mission — were particularly impacted by Cyclone Freddy. KSC quickly sent funds to each organization, to help provide immediate food and shelter relief to the many families who were flooded out of their homes or suffered other damage.

# **Rays of Hope**

On April 18, Fred Ailes, leader for the KSC Malawi Barnabas Team, received an email from Willie Mpasuka, Executive Director of Rays of Hope. The photos and note were provided by Mr. Mpasuka,

Thank you so much for coming through to support us when we were hit by Cyclone

Freddy. Your financial support came just at the right time and has saved lives, fed people, and restored the dignity they once lost through this calamity. We served over 800 households, at least 1700 people in Chilomoni, Machinjiri and Lunzu - areas in Blantyre where we do our work. Schools have now reopened, and we have committed to provide food stuff packages once a week to 1000 students for the next two months to ensure that they are back on their feet.

I hope this continues to be on your prayer list until our communities are fully back on their feet. I will keep you in the loop. God bless you!

# **Namikango Ministries**

From Fred Ailes, leader of the KSC Malawi Barnabas Team

Namikango Ministries, based in the Thondwe, Zomba province, Malawi is one of our Barnabas Team partners. There is goal is to encourage African Communities through Christ-centered empowerment. Their work includes helping develop church leadership; establishing an active Disciple Training Institute; building an agriculture conservation program; operating a successful self-sustaining coffee farm and roastery; teaching and fostering economic independence through the Village Savings and Loan Program; operating a successful medical and maternity clinic; and working on a program to empower women for success.

Namikango is connected to over 1,500 churches in Malawi. A major part of their ministry is to walk with men and women in these congregations towards deeper spiritual growth and a greater understanding of unity and grace that are at the core of the Gospel message. Their small Christian Journey Groups are intentionally discipled over the course of several years to equip and partner with those in their village churches seeking to embark upon their own faith journeys.

The Discipleship Training Institute is the newest Namikango educational initiative aimed at providing a theological education to church leaders through a discipleship model. It is the foundational block for Namikangos' Christ-led educational programs. The DTI is a three year program, with the first class of 18 beginning in 2021, that takes place on Namikango's main campus using both new buildings and mission current facilities. Students, along with their spouses and children, live on the campus. The students, and their spouses, take thirty-two courses that focus on four themes: spiritual leadership, biblical theology, community

development, and personal identity. These intensive classes will give the students a solid biblical foundation and develop their leadership skills for future church growth and development. At its heart the DTI program is a dedicated effort to have all the students become active disciples of Jesus. This is an exciting program that will carry the Gospel forward and if you would like to help sponsor a student you can do so at: Namikango Mission.org.

Malawi consistently ranks among the top ten poorest countries in the world. In addition, 80 percent of the population live in rural areas and do not have access to financial services. Enter the Village Savings and Loan Program where individuals form financial groups to combine their meager savings and then make loans to each other. Over time the increase in the groups savings grow and provide working capital for loans which stimulate individual success and community development. Namikango Ministry provides training on basic financial practices and on how to set up a successfully managed program. All of the funds to get started come from the villagers participating in the program. This has been a highly successful program with 65 trainers busily working throughout the country.

The spiritual, educational, and economic development of women in Malawi has long been neglected and led to the development of Women's Development Groups in 2018. These groups have produced a remarkable transformation in the lives of many of the women participating in them. Mrs. Kapanda of Mafuwa Church of Christ states:

I used to be a shy woman and couldn't get along with fellow women at church because I did not know that women can have a ministry at church apart from going to church on Sunday. But the Namikango Women's Development Ministry has empowered me. I am now a changed woman. I am able to pray on

my own, pray for my family, lead a prayer on hymn/song, read the Bible, or teach the Word of God at meetings.

Additionally, she participated in the ministry's agriculture program and now plants and harvest orange sweet potatoes to help sustain her family and sell on the market. Women from 53 churches have now been trained in growing, harvesting, and using orange sweet potatoes to help offset hunger in a land were hunger is an everyday reality.

Another successful agricultural program is found within the context of the Namikango Coffee Farm and Roastery. After selling their first crop in 2018, they now provided coffee to over 10 cafes and multiple families on a weekly basis. Due to the demand, Namikango has now

partnered with local area farmers, who struggled to make ends meet, in a cooperative effort to meet demand and provide them with a living income.

Finally, their medical clinic is the leading clinic where almost 100 babies a month are born in a safe nurturing environment. At the request of the government they now operate an out-patient clinic which sees 200 patients each week. The clinic provides much-needed classes on HIV protection in a country where AIDS continues to take a heavy toll on younger lives.

They are grateful to King Street for all of our prayer and financial support. We on the Barnabas Team are grateful for team member Alyssa Herberling who is our liaison with this growing Malawi-based ministry.

"Don't worry about anything; instead, pray about everything.
Tell God what you need, and thank him for all he has done.
Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus."
